Dear Mr. Cerreto,

I am writing to thank you and everyone involved with the Montville Broncos football organization for your very generous donation of \$733 to The Leslie Simon Breast Care and Cytodiagnosis Center at Englewood Hospital.

My colleague, Mike Pietrowicz, explained to me that this money was raised at football games between the Montville Broncos and the Parsippany Little Vikings on October 15, Joey's Pink Out Day. We are so grateful that you encouraged Montville parents and spectators to support this effort, which will help us expand the quality, humanistic care for which The Leslie Simon Breast Center is so well known.

On behalf of all our breast cancer patients and families, I thank you for this thoughtful donation and ask that you extend Englewood Hospital's gratitude to your coaches, players, families and all Montville fans.

Sincerely,

Debra Albanese  
Executive Vice President
